About Us

We are an organisation dedicated to amplifying the voices of people in Cornwall who have shared their experiences in health and social care. By collaboration with stakeholders, effective engagement, collecting and analysing public feedback, we work to drive improvements in local services and ensure that people's voices are heard by decision-makers.

Role Overview:

At Healthwatch Cornwall, we're looking for people who are passionate about engaging with others and committed to improving health and social care services across Cornwall. Whether it's connecting with people at a community centre, listening to someone's lived experience at an event, or

representing Healthwatch at outreach activities – this role is about meaningfully engaging with communities, capturing their voices, and ensuring they are heard where it matters.

As a Community Engagement Officer, you'll spend much of your time out in the community, building connections, listening carefully, and capturing feedback on people's experiences. You'll share this insight with our research and reporting teams to help influence and improve the services people rely on.

KEY RESPONSIBILITIES

1. Engaging with our Communities:

- Engage with people across Cornwall to gather their views on health and social care
- Attend and support events, outreach visits, and local group meetings
- Build strong relationships with community groups, organisations and the public

2. Data Capture

- Accurately log feedback and insights into our secure database
- Work with the wider team to feed what you hear into reports, campaigns and evidence

6. Representation:

- Represent Healthwatch Cornwall in a professional, compassionate and approachable way.

- Champion the voices of our communities ensuring their perspectives are integrated into our reporting.
- Support and promote community engagement of all groups, ensuring they have an opportunity to actively contribute.

Additional Information:

- This is a hybrid role: some office working, with travel across Cornwall
- Occasional evening/weekend work (e.g. for community events)
- Enhanced DBS check required (we will fund)
- Induction and ongoing training provided
