## Risk Register - April 2021

Area	Potential Risk	Potential Impact	Likelihood of Impact	Consequence of Impact	Gross Risk	Mitigation	Date Added	Date Checked	Net Risk
1. Cornwall Council Contracts	Cornwall Council seek to tender two main contracts in 2024. b. Contracts rewarded at lower or significantly lower fees	Contracts awarded to other provider. Current Healthwatch Cornwall no longer operational. Reduced income for HWC. Staffing reductions.	2	4	8	Effective fulfillment of current contractual requirements. Building strong relationships with contract managers. Effective contract negotiation strategy.	Apr- 21		4
2. People's Experience	People's experience not embedded in new ICS structure	Development of Integrated Care System is uncharted territory and therefore vital HC plays key role in ensuring people's experience is represented at the highest level. This is a complex process over a number of years and with limited resources is challenging to maintain overview. However it is vital that public understand HC's independence, impact and relevance	3	2	6	<ul> <li>HC membership of H&amp;WB, System Board and Community integration board</li> <li>Clarity in communications and on website of HC role within process</li> <li>HC voicing any concerns appropriately and following up</li> <li>Promoting HC independence at every opportunity</li> <li>Working with system leaders to value and promote HC independence and value of Public experience</li> <li>HC has independently chaired a stakeholder panel of lay representatives in the recruitment process for the ICS CEO.</li> <li>HC Board to consider proposals for ongoing development of ICS structures</li> </ul>	Jan-20	Apr-21	3

3. Influencing	Failure to represent the interests of the public at key stakeholder meetings and events	Inability to fulfil the requirements of the Business Plan; loss of reputation	3	3	9	Representation list being updated to ensure attendance at meetings Process being established to ensure representatives aware of bubbling issues which can be brought to appropriate meeting	Apr- 21		6
4. Research & Analysis	Reduced capacity in research team due to staff absence	Inability to deliver system expectations regarding public input and analysis	1	3	12	<ul> <li>engagement and admin team supporting the coding of responses</li> <li>Public health will support analysis with some staff</li> <li>As RM return from maternity leave is likely to be mid February management team are considering solutions to increase capacity</li> <li>Line management picked up by other managers. RM's return on reduced hours will require review of work priorities. Keeping in touch (KIT) days with RM in process</li> </ul>	Jul-20	21/.04/21 - recommend removing as RM now back in post	2
	Research and analysis is sub-optimal. HWC published research is incorrect or unsubstantiated data used for output is incorrect or inacurate.	Reputation of HWC diminished. Credibility of the organisation as the voice of the public in health matters undermined	3	4	12	New evaluation of CRM. reviewing systems and processes to manage data will include a review of HE's CRM database to ensure efficiencies in data management. The impact of imminent changes to the taxonomy needs to be understood in the context of reporting, and in view of an alternative HE CRM system proposed for 2022.	Apr- 21		8
5. Key Focus Areas	Not delivering on a key focus area	Inability to fulfil the requirements of the Business Plan; work not undertaken that it is needed	4	2	8	Pandemic has affected several planned areas of work which have been postponed or cancelled by commissioners therefore there is understanding why certain areas have not been met - where appropriate moved to new Business Plan	Apr- 21		4

6. Organisational	Covid 19	Shortage of staff and / or	3	3	9	Implemented Business continuity	Apr-	Apr-21	6
Effectiveness		volunteers				plan - Staff set up for home working	20		
		Inability to deliver core contract as				and all events cancelled ●Refocused			
		lack of patient feedback				priorities in line with HE guidance			
		Disruption to premises move				<ul><li>Staff and volunteer welfare -</li></ul>			
		●Infection in team				regular communication and uitlising
