

Reviewing Local Consultations Questionnaire 2018

Healthwatch Cornwall is writing a report about how local people hear about Adult Social Care consultations.

This is so we can improve how you can have your say on local issues around Adult Social Care.

Consultations are set up by Cornwall Council Adult Social Care to hear what you think about changes that may affect you.

We have some questions we would like to ask you.

Please get your answers to us by Friday 17 August.
